Rusty St. John - Back Up/Fill-in

Parking and Security Crews need to be on campus on Sundays no later than 8:30am to prepare for the Community Group hour traffic, come back outside prior to the end of CG's at 9:45am to prepare for the traffic in-between CG's and Worship, and then be present to assist traffic exiting the campus following the service.

Parking and Security Crews need to be on campus on Wednesdays no later than 6:15pm (Or as soon as possible, I know Wednesday work schedules can alter this reality) to prepare for the traffic entering the campus for midweek services and activities, and then be present to assist traffic exiting the campus following the service.

Additionally, on Wednesdays, the SeddonKids Ministry may have outside activities which will require vigilance from our security personnel.

*****Note:** Scheduled security personnel will remain outside/on patrol during scheduled services and activities to ensure the safety of our people and security of our campus.***

If you are unable to make your scheduled service time, please inform the group on GroupMe/make arrangements to cover your position, and or contact Bro. Joseph if unable to make the necessary arrangement!
